STUD SERVICE

We offer two options for stud service for fresh, chilled semen (does not apply to frozen semen):

Full Service Fee

Stud Fee is \$2,200 USD (within USA only) and is payable before first shipment is shipped. This fee covers up to two collections and guarantees a litter of 2 (two) live puppies. If no litter results, a repeat breeding to any stud dog owned solely by Greenstone Labradors will be given so long as it is taken within 2 (two) years. Repeat breedings are valid only on a female owned or co- owned by the original breeder. Repeat breedings cannot be sold or transferred.

Service Fee

Service fee is \$400.00 USD (within USA only). The service fee is considered a deposit towards the full stud fee and is a non-refundable fee. The remaining balance of \$1,800.00 is due within 3 days upon the birth of 2 live puppies. There is a \$50 late fee if balance is not paid within 14 days after litter is born. If no puppies result from breeding, there is no repeat breeding.
